Congratulations To Mrs McNeil Our Forest School Leader

For a while now Mrs McNeil has been running Forest School here at school. It has been wonderful for the children to get outside have fun and take part in a wide range of different activities. This week an assessor came to the school, here is what she had to say- "This was an amazing session!" "So much going on and all the children were really engaged". "Some lovely interactions and projects". "You have a great area to use and it's nice to see so much use of the natural environment supported by some carefully chosen resources". "The sessions whizzed by but didn't feel at all rushed, you are a natural Forest School leader and your enthusiasm shines through- Great job".

Dance

The Marsh Tompsett School of Dance is putting on its biennial dance show at the Amey Theatre in Abingdon. You may be considering dance classes for your son or daughter, whether it be ballet, tap, modern or street. Selina Marsh is an experienced West End performer who runs quality weekly dance classes for all ages. Whether you're interested in classes or just interested in watching good dance, this is your chance to see all her dancers in action, from the very young to the older school leavers. The dance school works towards exams one year and the show the next, so don't miss out. Everyone welcome! (For more details see Mrs Woods Class 2)
