Thursday- KS2 Athletics club 3.15-4.15pm. Starting on 7th June for 7 weeks for Yr 3 to 6. To book a place please email: OTMSport@gmail.com

Cricket Tournament

On Monday 18th June, eight children from class 4 went to a cricket tournament at Thomas Reade School. We had a mixed team of year 5 and 6 girls and boys and we were competing against year 6 boys, We played 3 matches of 8 overs each side. Everyone got a turn at bowling, fielding and batting. We had never played a cricket match before and we all tried really hard. We scored lots of runs and did some great bowling. Everyone enjoyed themselves and were a credit to our school.

Science workshop

Yesterday we had the group of scientists STEM visit our school. They carried out workshops throughout the day with the whole school. The children had a wonderful day learning new things whilst having lots of fun. Here's what they thought;

"It was really fun. I liked the slimy stuff, because if you put your finger in quickly it became solid but when you move it out it's a liquid".

"I'm willing not to go on my iPad for a year if I can do it again". "I learnt lemons have bits of acid inside them so they are basically batteries".

"We put highlighter under an ultraviolet light and it glowed". "The sun cream protected your skin like it protected the paper". "The spinning wheel was a lot harder to tilt when it was spinning". "The poo one was gross, it was disgusting and mushy".

The manor School

We now have links with The Manor School which will open up lots of exciting new events for Wootton School to be a part of. Yesterday year 3 took part in an athletics event there, they all did very well and enjoyed the afternoon very much. "We went to the Manor School and we did an athletics event". "I got lots of silver but mostly gold". Edward class 3 "The year 3 children went to the Manor School and we did amazing athletics. We got certificates. Rosie class 3.

Goodbyes

Due to relocating to set up home with her partner. Miss Harris will be leaving us at the end of term. The governors and school would like to thank her for her dedication and hard work improving the quality of our early year's provision here at Wootton School.

School Dinners.

This week we decided to run a new scheme throughout the school for our school dinners. We have put in place a coloured band system, where the children get to choose what they are having that morning by selecting a coloured band for which meal they would like. The system seems to have worked very well this week and ensured that all children get to eat their first choice from the menu. The only time this may not be available is if your child is late after the register has closed, or if they select packed lunch by mistake when they are supposed to be dinners. We would then have to offer what we have left. We would also like to take this opportunity to welcome our new school cook Teressa. The children have all commented on how lovely her food is and we have already seen a rise in dinner numbers. This is great for the children and for the school.

Morning Drop Off

It has come to our attention that some KS1 pupils are being left on the playground without parent/carers supervision, which poses a H&S risk as staff are not on duty to supervise. The doors are opened for KS2 to come in at 8:30 as their day starts at 8:40. KS1 doors open to receive children at 8:40 as their day starts at 8:50. Therefore for some KS1 parents there is no need for them to be on site at 8:30 unless they are dropping off KS2 pupil's first. Can we also remind parents that children are not allowed to play on or with any equipment before or after school finishes, especially on the field or in the forest school area Thank you.

Food Bank Vouchers

We have been offered some food vouchers for the local food bank for anyone experiencing financial difficulties during the summer break. If you think you may qualify or are in need please come to the office.

Achievements... School Shield

Class 1 – Alfie for figuring things out and finding new ways to do it 😊

Class 2 – Azaan for working really hard in English 😊

Class 3 – Sam R for good team work and working really hard 😊

Class 4 – Robin for excellent contribution in class and great explanations 😊

Attendance

	Attendance	u/a	Late (am)
Class 1	93.08 %	0 days	0
Class 2	90.00%	0 days	0
Class 3	98.89%	0 days	0
Class 4	96.96%	0 days	3

U/a = unauthorised absence

Have a lovely weekend
