

Cross country

On Thursday the 4th of October a whole squad of Wootton runners entered a comp at Tilsley park that specialised long distance runners. Year 3/4 girls raced first, a Wootton runner, Rosie came 7th, which was spectacular as she had recently broken her ankle. Next out of nowhere Eben came second in year $\frac{3}{4}$ boys! Year 5/6 boys came 3rd overall. Well done!

Henry Moore

Henry Moore was what we were doing in art and we went into the hall to do it and when we did actions and Mrs McNeil threw a white blanket over us and it looked like Henry Moore's sculptures. We looked like a smooth sculptor.
