Week Beginning 24th September

This week we've been learning about our senses (hearing, touching, smelling, tasting and looking). We had an absolute blast and and it was really cool to enjoy our senses to create ideas for our writing.

Seren and Harriet did thought for the day about friendship. If they were your friend , would they
Tell you things,
Invite you to your party
Always be there for you
Or would they ??????????????????????

Also, we've been learning about gamelan music, how it all started, the instruments including drums as well as the big GONGS!
