Dear parents and carers,

Dear parents/carers,

Welcome to the final newsletter of the term. Your children have continued to wow us with their excellent learning behaviours as they near the end of their current topics. Moonstone's work on the Maya civilisation has culminated in some fantastic information posters and Rose wowed us with her Maya display case, complete with an LED light show! Jade class have been making their Electric personalities out of recycled materials and also including working circuits. Please look at the photos at the end of the letter. Opal class continue to practice their circus skills and I am treated to their performances every lunch time. Well done Ronnie for learning to hula hoop, a very important skill for life. Little Gems have loved learning about worms and they have gained so much progress with their phonics knowledge. Well done all!

I wish you all a restful and warm half term and can't wait to see you all refreshed and ready for an exciting final term of the year.
