### Dear Parents and Carers

As we approach the last week of half term you might think that your children would be getting very tired and finding it hard to do their best learning. However, this is definitely not the case! Your children continue to show perseverance, compassion and courage as they strive to learn to the very best of their ability. They have continued to celebrate their marvellous mistakes as they know that this is a very important part of the learning process. Well done all!

### Parent survey

This week, the governors in the Teaching and Learning Committee met and discussed the Parent Survey. They would like to take the opportunity to thank you for taking the time to complete it and for the helpful and constructive feedback that you gave us. More updates and responses to the survey will follow shortly. In the meantime, we hope you enjoy seeing more pictures of the pupil's work (as requested) in the Newsletter.

### Girls only after school football club

We would like to offer a girls only after school football club on Mondays for Years 1 to Year 6. Please let the office know by next Friday morning 18<sup>th</sup> February if your daughter would be interested in participating. It would be free of charge.

### Special visitor

We were very happy to welcome Mr Aylett back to school on Thursday. He took a break from his travels in his van to visit us and do some learning with the children in Moonstone class. It was lovely to have him back and we hope he will visit again soon!

Best wishes,  
Charlie Pitt

## Generosity

A huge thank you to Rev Stephen Coe for leading the collective worship today. We continued to explore the theme of generosity and he told us the story of Jesus in the temple. Stephen took on multiple roles to tell this story and played a rich man giving lots of money and a widow giving a small amount of money. Through this we learn that you don't need to be rich to be generous, we can all be generous by giving what we can. It was an enjoyable collective worship with a very important message.

## Art Exhibition

Please see attached to the Newsletter today, a poster containing details of the Art Exhibition being held at W&DS community centre, where the pictures of the Childrens work they did on sculputres will be displayed.

## From The Fows

### FOWS Fundraising support

#### Raise £2.22 on 22/02/22 for Barnardo's

Last year Moonstone Class chose Barnardo's as their charity of choice for Wootton St Peters School to support in 2022.

FOWS will be supporting a sponsored 'Help out' for Barnardo's this half term. On 22/2/22 the children will be challenged to raise £2.22 each. Maybe by helping someone to do the washing up all day, do the hoovering for a relative they are visiting during their half-term holiday, wash/tidy the car, whatever chore might help a friend, relative or neighbour.

It would be great to hear about what the children were tasked with to raise their donation and we can share some of their stories in the first newsletter in March.

Please keep a look out next week for an envelope/form that the children can return their sponsor money in and hand to their teachers after half-term.

Please note £2.22 each is the target, but you can round it up/down to the nearest pound if small change is a problem.

We look forward to seeing what the children collectively can raise for this great charity.
