Wednesday 20th July- School finishes at 1.30pm NO ASC.

September Term dates to follow shortly.

Dear Parents and Carers

Following the excitement of Wootton Reading Week your children have settled into a more regular week of school. On my visits to classrooms, I have been so impressed with the high levels of concentration and determination to strive for excellence in all of the learning that the children do. This is a relatively short term, but a very important one and it is often where we see children make a lot of progress. I can't wait to see what the children produce this term. I hope you enjoy the pictures of the children's learning at the end of the newsletter.

The Big Sing

A highlight of the week for Key Stage 2 was visiting Radley College School and taking part in this wonderful singing project. A big thank you to Radley for providing the coach to get the children and staff to the event. Many of the children came back to school with a big smile on their faces and singing the songs that they had learnt on the day. It's great that we can start to take part in extracurricular opportunities like this again and

we look forward to taking part in many more over the next few terms.

Music for Pleasure School Concert Saturday 12th March 3:00 pm

A huge thank you for all the hard work Paul Herrington has put into the preparation for the concert. The rehearsals have sounded very impressive and I am so pleased that we have so many children taking part. I hope to see you there!

Parent Conversations and Open classrooms

Parent conversations will be take place online on Tuesday 22nd March and Tuesday 5th April. You will be able to book your slots with the office or with your child's class teacher from next week. Parent conversations will take place online, however we plan to invite you into classrooms very soon after the planned Government announcement. This will give you the opportunity to meet staff face to face and see the incredible learning that your child/children have produced this year.

Open the Book

It was an absolute pleasure to welcome the Open the Book team back into school. The children love learning about different Bible stories and joining in with the entertaining performances. We can't wait for the next one!

Best wishes,
Charlie Pitt

The School Shield

Little Gems- Elise for her excellent Phonics and for always being a kind friend. Great job Elise 😊

Opal – Shyla for working really hard in Literacy and Maths and for getting all her work done on time. Good work Shyla 😊
